Old Clinton Methodist Church Cemetery

Old Clinton Methodist Church is located on Old Hwy. 18 in Jones County, Georgia. The GPS coordinates are: 33 degrees 00.006N, 083 degrees 33.724W, 410 ft. Directions to get the the cemetery are as follows: The Gray Highway is the main thoroughfare between Gray, Georgia and Macon, Georgia. Just outside of Gray, Georgia is an area known as Clinton or Old Clinton. To get to this area turn off of the Gray Highway at its intersection with Green Settlement Road. The first road on the right goes past a store down a paved road that has speed breakers and takes you to several old historical locations. Continue past this road and the second road to the right takes you into Old Clinton and it has several old buildings and historical markers. The next road is Old Georgia (Ga.) 18 where you take a left and immediately on the right is the Old Clinton Methodist Church. Directly across the road from the Old Clinton Methodist Church is the Cedar Ridge cemetery. The Old Clinton Methodist Church cemetery is located to the right side of the church, the rear of the church for several acres and to the left side of the church across a small dirt drive. There is a historical marker beside the roadway marking the Clinton Methodist Church and when it came into existence. The listing below is taken from the photographs that I took on April 18, 2005.
